RESOLUTION 2008-03

A RESOLUTION to list road priority for snow plowing. This list is subject to change at the discretion of the Cooke Township Supervisors. Depending on amount of snowfall and existing conditions, the Roadmaster may deviate from this list.

During extremely heavy snowfall, it is impossible to keep all township roads plowed/passable, therefore; only Bendersville Road and the following residence occupied roads will be plowed: Pine Tree Drive, Pine Brook Road (Oak, Dogwood, and Deer), Michaux Road, Michaux Oaks Road, Marie Drive, High Mountain Road, Leper Farm Road and Iron Run Road. All other roads will be done as snowfall decreases/ceases or if condition of residence occupied roads are adequate for travel. One pass around cul-de-sacs will be made initially and then cleared completely after all other roads have been opened.

In the event of icy conditions and the danger involved, Murphy extended and Upper Quarry, will be not be plowed. These roads are already posted "Limited Maintenance". Plowing will only be done at the discretion of the Roadmaster or person plowing.

Priority list for normal snow plowing is as follows:

1. Pine Tree Drive
2. Pine Brook Road (Oak, Dogwood, Deer)
3. Bendersville Road
4. Bendersville Lane
5. Michaux Road
6. Michaux Oaks
7. Peach Orchard
8. Marie Drive
9. High Mountain Road
10. Ridge Road
11. Old Shippensburg Road
12. Leper Farm Road (and part of Leaf Road)
13. Cold Springs Road (blacktop portion only)
14. Old Railroad Bed Road
15. Ice House Road and Ice House Lane
16. Iron Run Road
17. Bunkerhill, Murphy, Murphy extended, Leaf Road and Quarry Road are done in the daytime and usually last.

Resolution 2008-03 approved this date, October 7, 2008. Resolution 2003-03 is hereby superseded.
