3.0		ROAD MASTER'S REPORT	
		PA read report Pennsy 2A has been much larger than – waiting to hear from them.	
4.0		SECRETARY COMMENTS	
	4.1	Bendersville Road Update	
		PA spoke with Rick Levan at PennDot and he said we would need to do a traffic study if we wanted to place any signs on the road. DB does not feel it is justifiable to engage in a traffic study. It is too expensive. PS feels it will be ineffective as people will not adhere to the signs. MM stated other townships are training their staff to do a traffic study..may be an option. DK said he would be able to but it is for speed limit which would not be helpful. AW said he could ask the rangers to make a presence. PA to call resident to let him know there is nothing we can do.	
	4.2	1349 Pine Grove Road	

		PA sent a letter stating we were aware of work being done at the property and that they needed to contact the office to obtain a valuation permit. No response has been received. MM to send a letter. PA to contact Nate and ask what Forestry has done and give MM the information.	
5.0		PLANNING COMMITTEE	
	5.1	DB we talked last month regarding the limit for building permits. Is the language ambiguous and what kind of a fine would be normal for skipping a limit. MM to come back next month with recommendations. AW suggested to update ordinances as they are older.	
6.0		COG/OUTREACH/MAB MEETING UPDATE	
	6.1	COG – got to meet new representative and she has been in office Voted in support of FPR build and voted against state limiting data centers.	
	6.2	MAB – the meeting was canceled due to no agenda items being submitted.	
7.0		SOLICITORS COMMENTS	
	7.1	None	
8.0		OLD BUSINESS	
	8.1	Quarry Road Bid – we received funding and now waiting to receive bid packet from Brook Be sure to send to Gleim directly as well as advertise. AW may be able to source more local and less expensive logs for project May need to do a general permit through DEP – PA to ask Brooke
